

COMMUNITY IMPACT PROGRAM AWARDS

AWARDS, CONTESTS, AND GRANTS

2024-2026 GFWC CLUB MANUAL

THE GFWC COMMUNITY IMPACT PROGRAM AWARD OFFERS GFWC CLUBS FINANCIAL INCENTIVES TO IMPLEMENT PROJECTS DESIGNED TO IMPACT A SPECIFIC PROBLEM IN THEIR COMMUNITY.

Introduced in 1949 as the “Build a Better Community Contest,” and later known as the “Community Improvement Program Award,” this program has provided GFWC clubs with a platform for developing and implementing projects that meet the varying and changing needs of their communities. As GFWC’s longest standing project, it has also presented opportunities for growing club membership, enhancing leadership skills, building relationships with individuals and groups, and creating public awareness of club activities and GFWC.

Community Impact Projects should make a visual, physical, or emotional impact at the grassroots level. These projects should raise awareness of GFWC volunteering and the impactful efforts made by clubwomen.

SELECTING THE PROJECT AND PLANNING

Any grassroots project that makes a measurable impact in your local community and fits the criteria will be accepted for judging purposes.

GFWC clubs are encouraged to consider the Community Connection Initiative highlighted in each of the Special Program Areas and/or Community Service Programs. These Community Connection Initiatives can be found in each of their respective sections in the Club Manual under the area of interest.

DESIGN YOUR OWN GRASSROOTS COMMUNITY IMPACT PROJECT

Here is an example of how a club can design a project eligible for Community Impact Program Awards.

BRAINSTORMING AND RESEARCH

Club members meet to discuss the needs of their local community by looking for grassroots projects that will require community partnerships, additional funds, and planning implementation. Clubs can also select a Community Connection Initiative from one of the Special Program Areas and/or Community Service Programs as noted in the GFWC Club Manual guides.

After brainstorming possible projects, ask club members to narrow the discussion to a couple of possible focus areas. Club members research the grassroots issues of focus with input from the community (schools, churches, local leaders and governments, businesses, etc.) and reconvene to finalize a targeted project.

OUTLINE THE PROJECT TO CREATE A PLAN OF ACTION

The club creates a project plan that may include:

- Project goal statement describing a clear picture view of what is to be accomplished by the project and what benefits will be gained when the project is completed.
- Community connections for collaboration.
- Funding needed and possible sources.
- Media outlets and plan to promote the project in the news, online, and social media.
- Timeline for the project.
